

# *Le costellazioni zodiacali*

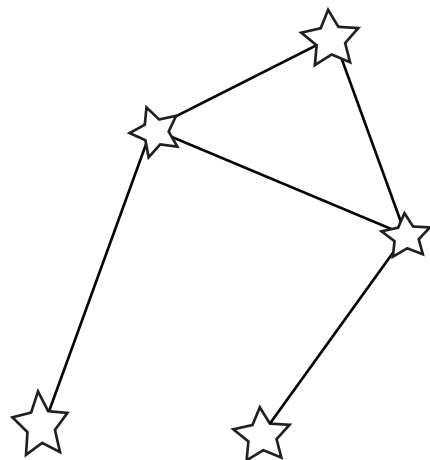

Stampate e ritagliate tutti i box con le 12 costellazioni.  
Incollate ogni box su un cartoncino.  
Con un punteruolo forate ogni stellina.  
Avvicinatevi ad un muro, spegnete le luci e puntate una  
torcia sulla costellazione che preferite.  
La costellazione si proietterà sul muro!
